## How do birds use the school surroundings?

Name: \_\_\_\_\_

1 Find two places around the school used by children and birds. Write the names of the places in the boxes.

2 Visit each place and write down all the things children do there and all the things the birds do.

Place in school	How do people use this place?	How do birds use this place?	Tick who uses this place most	Tick if very good for birds
	Total number of uses _____	Total number of uses _____	Birds _____  People _____	
			Birds _____	

	Total number of people _____	Total number of birds _____	People _____	
--	------------------------------------	-----------------------------------	--------------	--

3 What activity do birds do most?

4 What do birds do least?

5 Which activities are done by both people and birds?
