# crafty quiz

## How to make your crafty quiz

**7** Put your thumbs and forefingers into the flaps and move the quizzer back and forth to play.

## How to play

- Put your thumb and forefinger of each hand in the four flaps of the crafty quiz and push the points together.
- Choose one of the birds.
- Spell out the name of the bird by opening and shutting the quizzer forwards and sideways. Move once for every letter in the name.
- Pick a number and move the quizzer for the same number of times.
- Pick another number, open up the flap and answer the question.
