TEACHERS AND YOUTH LEADERS

Let us help you with your wildlife club

RSPB Wildlife Explorers

is the junior membership of the Royal Society for the Protection of Birds

What do we offer?

Pine marten

RSPB Wildlife Explorers offers a complete package of materials to help you start and run your club, from fun ideas to inspire children about wildlife and the environment, to thinking about the practicalities.

Blue tit

Don't worry if you have hardly any knowledge of birds and other wildlife. RSPB Wildlife Explorers provides both training and resources. All you need to do is to complete the application form overleaf.

What is RSPB Wildlife Explorers?

RSPB Wildlife Explorers is a club that will inspire young people, whatever their ages. It is the junior membership of the Royal Society for the Protection of Birds, and has more than 160,000 members. Our imaginative materials will open children's eyes to the natural wonders around them.

We publish superb magazines, tailored to different age groups:

For our members under-eight, **Wild Times** is published six times a year and has wildlife pictures, stories and things to make and do.

Bird Life, also published bi-monthly, will inspire the eights and over. It is packed with wonderful photos, features, activities and competitions.

Our quarterly magazine, **Wingbeat**, is largely written by teenagers, for teenagers, giving them a voice in conservation
