

**NOTE: THIS SHEET IS FOR YOUR PERSONAL
RECORDING PURPOSES ONLY. IT IS NOT A
RESULTS FORM. PLEASE DO NOT POST.**

How to use your recording sheet

1. Record the highest number of each species you saw at **any one time** during your birdwatch (see example for instructions).
2. If you see species not listed on this sheet, record them on another sheet of paper.
3. Submit your results at www.rspb.org.uk/birdwatch – thanks for taking part.

Example

If you see two blue tits at the same time, colour one and two.

If you then see four blue tits together, colour up to box four, not six.

If later you see three blue tits, stay at four. Do not go up to seven.
