

Show your MP that the Time is Now with a placard

1. Choose your favourite placard from one of the five animals that need our help: bee, hedgehog, puffin, cuckoo or water vole.
2. Print out your chosen placard.
3. You'll notice that we've left some blank space on some of the placards. This is so that you can add your own message if you wish.
4. Stick the placard to some sturdy card or board.
5. Attach to a short bamboo cane or similar so that you can hold your placard up.
6. You're all ready to add your voice to the Time is Now lobby!"
