Top things to do

Spring/summer

A busy time for nature and a great time for you to explore.

1. Hear your first cuckoo of spring and enjoy our talented choir of warblers.
2. Watch as rare little terns return to their beachfront nests with beaks full of sandeels.
3. Search for new arrivals feeding in the pools or hopping round the bushes at this migration hotspot.
4. Meet fascinating creatures at a “wild families” event, then enjoy delicious, locally-sourced ice cream.
5. Listen for the clash of dragonfly wings and admire beautiful butterflies.

Autumn/winter

Five things not to miss during the chillier months.

1. Listen to honks, quacks, whistles and squeals as thousands of ducks and geese make their winter home here.
2. Enjoy watching flocks of birds against spectacular sunsets before retreating to the visitor centre for dinner.
3. Go on a scavenger hunt during a bracing family walk along the beach.
4. Spot the speedy peregrines or graceful short-eared owls as they search for their supper.
5. Brave the wind and hold onto your hats, as you search the waves for divers and grebes.

How to get here

Nearest town: Chichester

By public transport: The nearest train station is Chichester, 7 miles away. The 51 Link bus service stops outside the visitor centre.

By car: From the A27 at Chichester take the B2145 south towards Selsey. Turn left approximately 200 yards beyond Sidlesham into the visitor centre car park. There is a small car park at Church Norton, PO20 9DT.

By bike: The visitor centre is the end of the Sustrans Route 88 cycle path from Chichester.

One of the few remaining undeveloped stretches on the Sussex coast, Pagham Harbour is a wonderful wildlife reserve.

Welcome

Pagham Harbour nature reserve

Unspoiled coastal wilderness with wonderful wildlife

A haven for wildlife and people all year round.

Discover everlasting nature at this rich reserve.

Let the birds come to you on the rising tide.
Begin your adventure at our visitor centre where we can tell you about the exciting wildlife you could find and which areas to avoid at high tide. Pagham Harbour is criss-crossed with public and permissive footpaths, taking in diverse wildlife, historical features and magnificent harbour views. We’ve suggested three of our favourite walks, which take in the reserve’s highlights. All of our recommended walks can be extended by following the footpaths and connecting with paths to and from the visitor centre.

**Discovery trail**

Starting from the Visitor Centre, allow an hour to explore this 1½ miles interpreted circular loop. Discover the fascinating cultural and natural history of the reserve. Take a peek over Sussex Wildlife Trust’s Ferry Pool and see how many ducks and wading birds you can spot. Wander along the historic tramway towards Sidlesham Quay to enjoy panoramic views whilst looking for elegant little egrets. Meander back through hedgerow-lined fields rich with bird song in springtime and busy with buzzing insects in summer. There is an option to take a shorter loop (¾ mile) which is suitable for wheelchairs.

**Church Norton trail**

Allow an hour or so to explore this area. From Church Norton car park it’s 250 metres to the hide or 560 metres to the beach. Perch on a bench to look across to Tern Island or head for Church Norton hide – it’s a hotspot for migrant and rare birds in spring and autumn. Stroll towards the beach and enjoy a bracing walk along the shingle and the chance to see some seabirds. You can reach the visitor centre by following the footpath along the west side of the harbour (1¼ miles one-way). This footpath is not suitable for wheelchair users.

**North Wall trail**

Starting out from the Saltshouse, our suggested walk covers 1,000 metres one way, or it is 2 miles if you continue on to our visitor centre along the public footpaths.

This is a great trail for keen birders, overlooking the Breach Pool which can be busy with waders and then wandering past reedbeds noisy with reed, sedge and Cetti’s warblers. It’s a lovely spot for a peaceful stroll too with magnificent views and beautiful sunsets. In winter the incoming tide encourages vast flocks of brent geese and other wildfowl to fly overhead and gather noisily in the fields behind.

- Land ownership within Pagham Harbour is complex, with the RSPB managing large parts of the nature reserve. Please keep to the public and permissive footpaths whilst exploring, take all litter home with you and be considerate of other footpath users, landowners and local residents.
- Dogs are welcome on the public and permissive paths. They should be kept under close control to avoid disturbing or worrying wildlife and other users. There are limited “exercise areas” around the harbour – signage is in place at these locations. Several bins are provided for the disposal of dog waste.
