Rye Meads

**The moorhen trail**
0.3 miles (0.5 km)

This route is a nice easy stroll with flat paths suitable for pushchairs and wheelchairs. Stop off in the hides for wonderful views over open water and reedbeds, and of the creatures that live there.

**The kingfisher trail**
0.5 miles (0.8 km)  
20–25 minutes  
Discover the sights and sounds of a wetland, as this trail leads you from lagoons through to reedbeds. It’s a great walk for everyone. You might see some stunning kingfishers too.

**The otter trail**
1 mile (1.6 km)  
40–50 minutes  
On the otter trail, you can either visit the Warbler hide, or go through the one-way turnstile (you will then need to walk the full circuit back to the centre, which takes about 45 minutes).
