

Crumble pastry maggots

You will need:

- 85 g flour
- 30 g lard
- a mixing bowl.

What you do

1. Put the flour into a bowl.
2. Mix in the lard with the tips of your fingers.
3. Rub the dry mixture into little pieces that look like maggots!
4. Sprinkle these onto the ground, on your birdtable or around bushes and flowerbeds.
