The parts of a bird

Chaffinch

1. Look at the words in the boxes. These are the names of the different parts of the bird.

2. Now cover them up.

3. See if you can name the parts of the robin shown below.

4. How many did you put in the right place?

5. Colour the robin below. The back and wings are brown, the tummy is white, and its face and chest are red.
